

Evening Only & Late Afternoon Celebrations

We offer a range of alternative, bespoke wedding day options here at the Holt Lodge Hotel.

The latest that the Wrexham Registry Office will perform a ceremony at a venue is 5pm. This works perfectly when going straight into your evening celebrations.

We specialise in creating a day that suits you and your dream day. A day, which is tailored throughout the planning stages. If a formal wedding breakfast is not for you then this option may be something to consider. In order to provide you with an estimated price for this service we ask that you make an appointment with our Wedding Coordinator where this will help provide you with a more accurate price but also allows us to really understand your ideas.

From a Hog Roast Supper to a delicious BBQ served on the terrace, sharing platters to a formal sit down menu. Why not book our resident disco? Offer your guests delicious canapés on the lawn or a fabulous glass of champagne to toast your wonderful day?

Our bespoke wedding service allows us to create your perfect day.
